

## Spirit Chakra:

Myrrh oil promotes spiritual awareness and is uplifting, it is one of the 3 anointing oils that was delivered to the Christ child by the wise Men upon his birth. A very powerful protective oil that allows us to 'travel' with ease between the dimensions.

Brings us into closer attunement with our spirit guides and guardian angel.

This oil also contains sesquiterpenes which stimulate the limbic system in the brain (the center of memory and emotions), the hypothalamus, pituitary and pineal glands.

A powerful antioxidant, antitumoral, anti-inflammatory, antiviral, antiparasitic, analgesic & anaesthetic.

It is documented in one of the oldest known medical records

**Ebers Papyrus** from the 16<sup>th</sup> century B.C.
